

Looking to Fill A Board Position?

A diverse board of directors is pivotal for fostering a well-rounded and effective decision-making process. Empower your board with Chartered Accountants and embark on a journey towards enhanced governance, strategic leadership, and sustainable growth.

About ISCA Board Members

Our comprehensive platform hosts a diverse array of directors who are prepared to assume roles as independent directors on various boards.

Our Chartered Accountants and Board of Directors (BOD) Masterclass participants encompass directors from private enterprises, publicly listed corporations and nonprofit entities.

They possess a wealth of technical competencies and professional expertise stemming from diverse backgrounds. ISCA's requirements and comprehensive training curriculum ensure our members and participants remain professionally equipped and updated with latest directorship and boardroom issues.
