

NEW

ISCA Audit Committee Programme

With changing business demands, rapid advancement of technologies and its risks, there is *greater emphasis* on the vital role that Audit Committee (AC) members play in the *governance and oversight of companies*.

OBJECTIVE

- **Equip** participants with essential financial reporting requirements to strengthen the overall quality of financial reporting disclosures
- **Reinforce** participants' knowledge on evolving financial reporting requirements and issues to improve financial statements disclosures
- **Strengthen** best practices in corporate governance and risk management

TARGET AUDIENCE

Existing Audit Committee members

Senior Management

Aspiring Audit Committee members

PROGRAMME COMPLETION & AWARD

Upon completion of the programme, the **ISCA Audit Committee Programme Certificate** will be awarded to participants who have:

- Attended all sessions of the mandatory module; and
- Achieved at least 80% for the objective-based assessment for all mandatory modules.

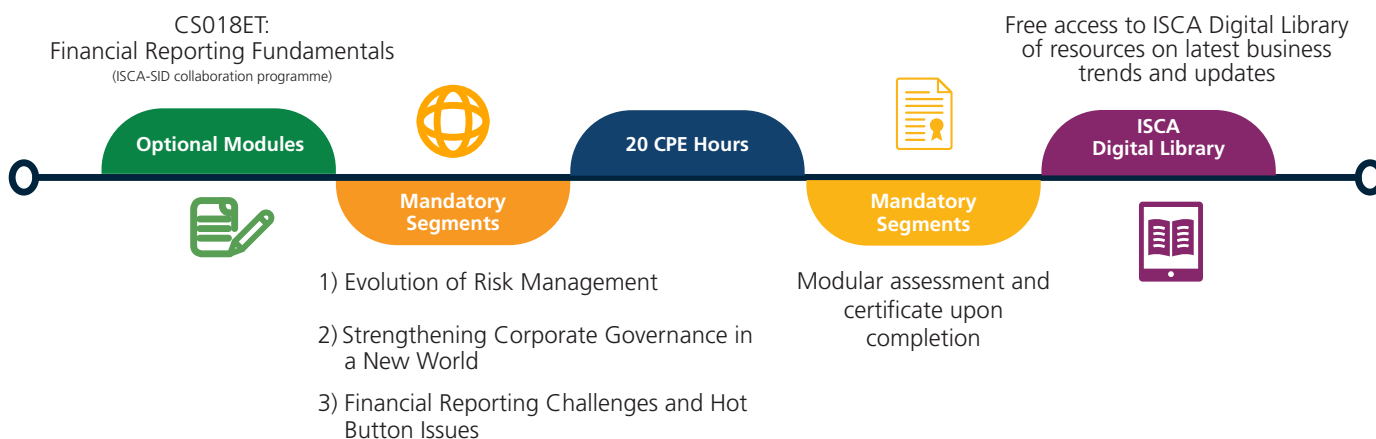

The completion of this programme qualifies for 20 CPE hours.

Global Mindset, Asian Insights
