

Dear Member,

ISCA Cares is a charity with Institute of Public Character (IPC) status set up by the Institute of Singapore Chartered Accountants (ISCA) as part of Singapore's Golden Jubilee celebrations in 2015. As the national accountancy body, the Institute would like to provide a platform for the profession to come together to support worthy and meaningful causes, and give back to society.

ISCA Cares aims to build a compassionate and caring accountancy community that actively contributes towards the betterment of society. To achieve this, the charity seeks to promote a strong social conscience and spirit of inclusivity in the accountancy community.

ISCA Cares Education Programme

The ISCA Cares Education Programme is the immediate focus of ISCA Cares. The programme provides needy Singapore youths with access to a quality education in accountancy.

Donors' contributions will go towards subsidising the tuition fees and basic living expenses of beneficiaries who have been admitted to, or are pursuing accountancy diplomas and degree courses, in local polytechnics and universities.

Beneficiaries will also benefit from internship and mentorship opportunities under the programme. The internships will enable beneficiaries to acquire relevant work skills and experience, to supplement their academic programmes. Mentorship opportunities will be offered by senior ISCA members who will share their expertise and experience with, and serve as role models for these youths.

Your Support is Important to Our Next Generation

Crucial to the success of the charity is the firm support of our members, the wider accountancy and business community in Singapore.

With your support and the beneficiaries' own hard work and perseverance, we hope to provide needy Singapore youths, who aspire to join the accountancy profession, greater opportunities to reach their full potential.

Thank you for your compassion and generosity, and for sharing in our vision to care and provide support for future generations of aspiring accountants.
