

**ISCA Infrastructure & Project Finance Qualification (ISCA IPFQ)  
April/May 2020 Workshop and June 2020 Exam Sessions Cancellation Notice**

In light of the evolving COVID-19 situation and Singapore government's announcement on 21 April 2020 to extend the circuit breaker period from 4 May 2020 till 1 June 2020, we would like to inform you regrettably that **April/May 2020 workshop and June 2020 exam sessions** for the following two (2) modules of ISCA IPFQ will be **cancelled** as a precaution after careful consideration. The well-being of our candidates, trainers and staff is of utmost priority.

<b>Name of Module</b>	<b>Date of Workshop</b>	<b>Date of Exam</b>
1. Project Risks and Financing	3 & 17 April 2020	22 June 2020
2. Contracts and Modelling	6 & 13 May 2020	29 June 2020

We have considered alternative workshop and exam arrangements but are of the view that the effectiveness of the workshops and exams may be compromised given the short turnaround time.

As an administrative concession, all candidates who had registered for the two (2) modules between January and March 2020 will be allowed to defer to September 2020 workshop session (for Project Risks and Financing module), October 2020 workshop session (for Contracts and Modelling module) and November 2020 exam session. No action is required on your part.
